## EXAMEN P1 – PARTE PRACTICA

The image shows a mobile application interface for a login screen. At the top, there is a red header bar with the text "Inicio de Sesión" in white. Below the header, the background is white. There are two input fields: the first is labeled "Usuario" and contains the text "admin"; the second is labeled "Contraseña" and contains seven dots. Below these fields is a red button with the text "ENTRAR" in white. The entire app interface is shown within a black border that mimics a smartphone screen. At the very bottom of the image, outside the app's frame, there is a status bar with text including "39:2", "CBLE", "LTE-8", and "2 spaces".
